

CERTIFICATE OF FACTORY PRODUCTION CONTROL

0809 – CPD – 0631

In compliance with Council Directive 89/106/EEC of December 21, 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

Resin-bonded Particleboards

**P2 and MFC P2 10 - 25 mm, P6 22 mm for use in dry conditions and
P3 and MFC P3 16 mm for use in humid conditions**

placed on the market by

Repo Vabrikud As

**Maidla tee 7
EST-43229 PÜSSI**

and produced in the

Püssi mill

are submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 0809 – VTT Expert Services Ltd – has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that the provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

EN 13986:2004

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on May 11, 2009 and updated on December 21, 2012 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
